

UF Online Advising Group Meeting 2/13/14

- The only item on our agenda this week is a meeting with Pearson Embanet.

We will be starting the meeting in Room 200 Farrior with a presentation by the Pearson Embanet team. Then, following the presentation and general Q/A period, we will break out into smaller groups to allow program coaches and academic advisors/administrators to meet and work on program specific needs. The team is very excited to meet with us and I ask that everyone remember that these are our partners and colleagues as we are all working together to help support our online students.

Our guests include:

Alan Coheley,	Sr. VP for Academic Partnerships
Camilla DiGiacomo,	Director, Student Support Services
Jeremy Esch,	Associate Director, Student Support Services
Jaime Lockhart:	BACL and BSEM Program Coach
Jessica Voss:	BSHE and BSSM Program Coach
Adrian Nesbeth:	BSBA Program Coach
